Sossusvlei by Air

The Namib Desert is the oldest desert on earth, formed by the effect of the cold Benguela Current. Due to early morning fog, this arid desert becomes a life supporting structure for all its living organisms. You will find yourself in the vicinity of Sossusvlei, an area marked by some of the highest dunes on earth. Sossusvlei's monumentally high dunes are a sought after topic for photographers. With their warm tints ranging from pale apricot to brick orange and deep red, they contrast vividly with the large white clay pans at their basis.

Day 14

Included today is the Sossusvlei Excursion. The best time to experience the Sossusvlei area is at sunrise. You travel into the heart of the Namib Desert with the highest sand dunes on earth at Sossusvlei! Here you can experience the majestic Sossusvlei or the surreal Dead Vlei on foot. Enjoy a picnic brunch under the Camelthorn trees, before heading back to the Lodge.

Sossusvlei Desert Lodge

Experience the haunting beauty of the Namib Desert at Sossusvlei Mountain Lodge, situated in the foothills of the private NamibRand Nature Reserve in Namibia. Thanks to conservation efforts, the NamibRand spans 180 000 hectares (445 000 acres) of pristine desert wilderness, and is the largest private nature reserve in Southern Africa. This extraordinary safari lodge is renowned for its luxurious and private accommodation set at the foot of a mountain overlooking the stark, yet beautiful Namib Desert. Designed to capture the splendor and solitude of the desert, each stone and glass desert villa is set along the curve of the escarpment, affording absolute privacy. Each villa features a shaded private veranda, split-level bedroom and living room with fireplace, fully-stocked personal bar, compact spotting scope and a service-intercom to the main lodge. A fine selection of wines from our walk-in wine cellar complements delicious Pan-African cuisine, which is served in the glass-fronted dining room. The split-level main lodge features a fire-lit bar, comfortable sitting room, mezzanine library with CD and book collection, swimming pool, wraparound verandas and African gift shop. The pool is fed by water from an underground spring. At sunset, animals are drawn to a nearby waterhole, providing added enjoyment to a sundowner drink. Sossusvlei is renowned for its exciting bush breakfasts and dinners in dramatic desert locations. Sossusvlei offers a range of exhilarating activities including scenic game drives in open 4x4 vehicles in the NamibRand Nature Reserve, quadbiking through the desert, exploring beautiful surrounds by guided and marked walking trails, stargazing and picnic excursions to the famous Sossusvlei sand dunes - the highest in the world - and Sesriem Canyon.
